Collection date Information The buyer must bring their confirmation of payment or invoice for collection to the pick-up location. The buyer is responsible for the dismantling, loading and transport for the purchased items. Dome Auctions accepts no liability whatsoever, unless otherwise stated. Collections will be available according to the above mentioned schedule. In case of later collections, the customer is liable for the costs incurred (rent or any additional expenses), unless alternative arrangements have been agreed with the seller. In principle no loading aids such as forklift trucks or cranes are available. In special cases, loading aids may be available on request and for an additions charge.

Payment Details The invoice will be available in the buyers "Profile" section on our website and will be send by email directly after closing the auction.
 Full payment must be made within 48 hours from the date the Purchase Agreement is available. Account details for money transfer are mentioned on the invoice.

Information VAT	Buyers from Sweden must pay the VAT. All foreign buyers from countries belonging to the European Community must inform us of their VAT number. If a buyer does not furnish this proof, the auctioneer has to charge the legal Swedish VAT. This VAT amount cannot be refunded. Foreign buyers from countries not belonging to the European Community must pay the legal Swedish VAT as deposit to the auctioneer. After receipt of the original customs documents, which must be stamped officially to prove that the export has taken place, the auctioneer will refund the paid Swedish VAT.
General Terms and Conditions Of Use of Dome Auctions	In addition to these Specific Online Auction Terms and Conditions the General Terms and Conditions of Use are applicable. In the event of a contradiction between the General Terms and Conditions of Use and these Specific Online Auction Terms and Conditions then these Specific Online Auction Terms and Conditions shall prevail.
Combinations	All lots in a combination will be sold individually first. After the last lot is sold, the total of the bids is raised by 5%. This is the starting bid for the combination. If the combination is sold it overrules the individual bids, if not the individual bids are confirmed.
Prolongation	If a bid is made in the last 2 minutes before the lot closes, then the closing time will be extended by 2 minutes. With each subsequent bid the closing time will be extended by 2 minutes until no further bids are made.
Lots without bids	All lots without any bid will stay open until half an hour after the last closing time bid.
Quantity Capacity Dimensions and weight of goods	Where a lot description contains details of quantities, capacities, dimensions or weights of the goods, these data are indicative only and no rights can be derived from this information. Bidders must satisfy themselves as to the accuracy of such data. Although the information contained herein was obtained from resources deemed reliable, the seller and Dome Auctions make no warranty, expressed or implied as to the accuracy of the information.
Subject to Allocation	Certain lots / combination lots may be offered subject to allocation. This is noted in the bidding information for each affected lot. Where lots are offered subject to allocation the seller reserves the right to accept or reject the highest bid. The bidders will be notified within 48 hours of the auction closing.

**Reserve prices**

Certain lots / combination lots may be offered subject to reserve of minimum prices.
