**General Terms:** In addition to these Specific Auction Conditions, the General Terms and Conditions apply. In case of contradictions between the General Terms and Conditions and these Specific Auction Terms and Conditions, the Specific Auction Conditions prevail.

**Combinations:** All lots in a combination are first sold individually. After the last lot is sold, the total of the bids is increased by 5%. This forms the opening bid for the combination. If the combination is sold, it replaces the individual bids. If the combination is not sold, the individual bids remain valid.

**Extension:** If a bid is placed in the last 2 minutes before the lot closes, the closing time is extended by 2 minutes. With each subsequent bid, the closing time is extended again by 2 minutes until no new bids are made.

**Lot without Bid:** For all lots that have not been bid on, the closing time will be adjusted to half an hour after the last closing time of lots within this auction.

**Quantity, Capacity, Dimensions, and Weight of Lots:** If a lot description contains details about quantities, capacities, dimensions, or weight of the lots, these details are only indicative, and no rights can be derived from them. Bidders must convince themselves of the accuracy of these details. Although the information contained herein is obtained from sources deemed reliable, the seller and Dome Auctions make no express or implied warranty regarding the accuracy of the information.

**Subject to allocation:** Certain lots/combinations of lots may be offered subject to allocation. This is stated in the bidding information for the relevant lot. When lots are offered subject to allocation, the seller reserves the right to accept or reject the highest bid. Bidders will be informed within 48 hours after the auction closes.

**Minimum Price:** Certain lots/combinations of lots may be offered subject to a minimum price.

**Privacy Statement:** Dome Auctions collects and processes personal data of Users, Sellers, and Buyers in accordance with the Privacy Statement on its website, the General Data Protection Regulation (GDPR), and other applicable laws and regulations.
