Launch of Dome Auctions B.V.

A new auction platform exclusively for Industry

Dome Auctions introduces an innovative auction platform for Western Europe's industrial sector. By focusing exclusively on industry, Dome Auctions offers unmatched specialization.

The company sets itself apart from other European auction houses in two key ways: it concentrates solely on the industrial sector and specializes in assets from complete factories, serving a wide range of industries including metalworking, food processing, pharmaceuticals, and automotive.

The name Dome symbolizes a unifying platform where buyers and sellers are optimally served. Dome Auctions was founded by the former owner of Troostwijk Auctions.
