

# Registration Instructions

For scooters from this auction, the standard RDW procedure for requesting a replacement registration certificate does not apply.

To correctly register the scooter in your name, please follow the steps below completely and in the correct order.

## Step 1 – Send an Email to the RDW

Send an email to: [vvk@rdw.nl](mailto:vvk@rdw.nl)

## Step 2 – Attach the Required Documents

Please attach the following documents directly to your email:

- Your invoice
- The deed of assignment

## Step 3 – Clearly State Your Request

In your email, clearly mention that:

- you would like to register the scooter in your name
- the registration request is based on the attached deed of assignment
- the scooter originates from the bankruptcy estate of Go Sharing

## Step 4 – Wait for Instructions from the RDW

The RDW will then inform you of the next required steps.

## Step 5 – Request a License Plate

Once the scooter has been registered in your name, you can request a new license plate from a: GAIK-certified license plate manufacturer

## Important Information

- Please follow these steps exactly and in the correct order
- Directly requesting a replacement registration certificate or following the standard RDW process will not work in this situation
- Dome Auctions and the bankruptcy trustee are not responsible for the registration process or its outcome
